

7th Grade Social Studies Video Permission Form

Due back by Friday, January 10th 2020

Parents/Guardians:

As we prepare your child for the rigors and understanding of high school Social Studies, we sometimes show videos or movies that help illustrate what we are teaching. However, some contain either a "PG" rating or suggestive language/racial slurs/intense scenes that demonstrate the time period in which these were used or took place.

Please check "yes" or "no" on the sheet and sign your name. Anyone who chooses "no" will be given an alternative assignment.

If you have any questions, please contact Mr. Stokes:

_____ Yes, I will allow my child to watch these videos as they relate to the material Mr. Stokes is teaching.

_____ No, I will not allow my child to watch these videos as they relate to the material Mr. Stokes is teaching.
